1. What most strikes you about Jesus' ability to break the cultural racial boundaries of the time? In what way does Gonzales County resemble the racial divisions that made up the culture in Jesus time? What would be the most marginalized ethnic group in the area? How is TRBC doing in making a bridge of unity towards all surrounding ethnic groups?

3. What in your life do you pursue, other than God, to quench your thirst for love, significance, happiness, joy, etc.? How does that make you feel in the long run? Who do you have in your "Impact List" that you are praying for to come to know and experience God personally and what is your next step to bring them closer to Christ? How can the REALife group pray for you tonight?
