### Over the next week, consider the following:

*How will I live my life differently in light of what I've learned?*

2<sup>nd</sup> in "Come as You Are" series. Message by  
Pastor Jesse Elizondo - (11/11/07).

1. At what level, if any, are you participating in advancing God's kingdom (ie: ministry, impact list, etc)? Would you consider yourself more of a spectator as others work or a co-laborer with others in the church? Why do you think that is?
2. How long of time, if any, should a person wait to serve the Lord? What would be the value of serving God soon after following His leadership in your life opposed to waiting for later? What are obstacles that come your way that prevent you from serving the Lord and how could they be overcome?
3. If you are not serving yet, what would be an area where you would be comfortable serving if you had the opportunity to do so? Who would you have to contact with in order to make that step to be involved there? If you are currently serving, what are some of the present rewards of serving in your life? How has serving helped you connect with God?
