REALife Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

1. What are some of the relational bridges that the Lord has placed before you? Would you say that you are predominantly influencing the people around you or that they are influencing you? Why do you think that is?

2. What is the purpose of having influence in the market place, the family, our friends and neighbors? Are there others in your spheres of influence that are being used by God to impact the people around you, what makes them irresistible?

3. When was the last time that you were able to help someone become a follower of Jesus and what was his/her response? Who was the person that helped you? What are some concrete things that you can do in order to influence others to follow Jesus Christ as their Lord?
