1. When you think of "church" what images come to mind? How were those images shaped for you? Are they generally helpful?

2. Jesus died for people. See Acts 20:28; 1 Peter 2:4-10; 3:18. How does this fact shape the priorities of our church?

3. Read Acts 1:8. How should we apply this directive in our lives in Gonzales County?

4. The disciples went to great lengths to replace Judas. Why? What does that tell you about the importance of each person?

### Memory Verse
