REALife Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

1. What Team Player Type do you find yourself being like more often? Share in your group how at times that has been a positive thing and when it hasn't? What are some steps you could do to integrate both principles discussed?

2. Read Phil. 2:19-24. Why does Paul have so much confidence in Timothy? Do you know anyone like this? What would need to change in your life to embrace these values?

3. Who do you look to for spiritual support and encouragement? Do you get regular input that helps you grow? Is that input personal? How could you increase the spiritual input in your life?

4. What are some ways that you could honor the men and women in your life that are investing in your growth? (see Phil. 2:29)

Memory Verse

Welcome him in the Lord with great joy, and honor men like him, because
he almost died for the work of Christ, risking his life
to make up for the help you could not give me.
