## **Big Idea:**

Maturity is consistently putting into practice what God defines as right thinking and right behavior.

## **Key Questions:**

1. We learned that maturity is faith in action. In what ways are you currently putting your faith into action?

2. What are you most hoping to get out of the book of James, and why?

3. Which one of the "Maturity Myths" have you bought into? Do you believe it is easy to fall into believing these myths? Why?

4. Have you ever believed yourself to be mature in an area only to later recognize you had a lot of maturing yet to do? How did you handle it?

5. Out of the 5 marks of maturity, which do you feel you're strong at? Which do you feel you still need to grow in?
